Re: Location and Design Manual, Volume Three and Sample Plan Sheets Revisions

---

Location and Design Manual Volume 3, Appendix B and the associated Sample Plan Sheets, have been revised to address updates related to Mapping and Survey Specifications. The following items have been modified:

- Sample Plan Note G105 – Renamed Survey Positional Parameters note to Survey Parameters. Revised note to address updates with the newly released Mapping and Survey Specifications and Supplemental Specification 832 – Construction Layout Stakes and Survey Monuments. Note G105 provides guidance for implementation on projects that are using the new specifications and projects that are already scoped and being developed.
- Sample Plan 1305-1 – Provides an example of Note G105A.

All revisions to the Location and Design Manual, Volume 3 are shown in red text.

Implementation guidelines for Sample Plan Note G105 are provided in the Designer Note. Additional implementation guidelines are available in an IOC dated October 15, 2010 from Bill Ujvari and John Ray.

The revised sections of the Location and Design Manual Volume 3 and implementation guidelines IOC may be obtained at:
