

St. Lawrence Drive Reconstruction and Realignment Project Lucas County

Project Name: St. Lawrence Drive Reconstruction and Realignment (PID 87241)

Community: City of Toledo, Lucas County (Toledo-Lucas County Port Authority)

Project Description: This project involves the reconstruction and realignment of portions of St. Lawrence Drive. The reconstruction will provide an adequate roadway for the efficient movement of traffic to and from the Port of Toledo facilities. The realignment will restore public access to several port related businesses. The improvements are necessary for continued growth and development of the Port of Toledo.

Work to Begin: Within 180 days (May 2010)

Estimated Completion: December 2010

Stimulus Investment: \$1,985,976

Total Project Cost: \$1,985,976
