

East River Street, Lorain County

Project Name: Repair, Reconstruct, & Resurfacing of East River St. (5532)

Community: Lorain County, City of Elyria

Project Description: The project includes the reconstruction and resurfacing of 1.2 miles of East River Street in the City of Elyria. This includes the replacement of concrete curb & gutter, upgrading existing sidewalk, replacement of all driveways with concrete, improving driving lanes width, upgrading an existing traffic signal at 4th Street, full depth pavement repairs, asphalt concrete repaving and other minor repairs.

Project Sponsor: City of Elyria

Community Economic Distress Factors: Lorain County has a moderate jobless rate of 6.76% and an annual average income of \$30,625.

Economic Development Potential: East River Street is major collector and one of the main entrance roadways to the City of Elyria. This project will create jobs in construction disciplines like truck drivers, laborers, equipment operators, and electricians during various stages of construction. This project provides access to the major hospital and downtown area.

Multi-modal Connectivity/Innovation Factor: By improving the existing deteriorated condition of pavement driving time will be reduced improving air quality. Widening of the driving lanes will improve safety and congestion in the corridor. The improved roadway condition will reduce response time for medical emergencies to the hospital.

Work to Begin: 91-180 days

Estimated Completion: 9 months

Stimulus Investment: \$1,457,759

Total Project Cost: \$2,105,555
