

## State Route 18 Double Bridge Replacement

**Project Name:** State Route 18 Bridge Replacements (PID 77306)

**Community:** Lorain County

**Project Description:** This project in southern Lorain County replaces 2 structures west of the Village of Wellington. The first is a 133' structure over the West Branch of the Black River, 0.57-mile west of Quarry Road and the second is a 133' structure over Charlemont Creek, 0.20-mile west of Pitts Road. In addition to replacing the bridges, the project will complete approach and embankment work. Traffic will be detoured for approximately 5 months, along SR-58, U.S. 20, and SR-511.

**Estimated Start Date:** February 2010

**Completion Date:** October 2010

**Stimulus Investment:** \$1,000,000

**Total Project Cost:** \$1,699,130
