

Interstate 271 Slope Repair and Reconstruction

Project Name (ID Number): I-271 slope repair and reconstruction (5701)

Community (County/City): Summit County/Northfield Center and Boston Townships

Project Description: The project is for the slope repair and reconstruction on I-271 at two locations between the Ohio Turnpike and Brandywine Road.

Project Sponsor: The Ohio Department of Transportation (ODOT)

Community Economic Distress Factors: Summit County unemployment rate is 5.81%; annual average income is \$36,269

Economic Development Potential: Interstate 277 is one of Ohio's major north-south interstates. Today, with drastic economic development, up to 80,000 vehicles travel the corridor.

Multi-modal Connectivity/Innovation Factor: Interstate 277 is a major connector route through Ohio. In the city of Canton, this north/south corridor carries thousands of motorists, commuters, and distributors from all over the country through Akron to Cleveland each day.

Work to Begin: "31 to 90 days"

Estimated Completion: Summer 2010

Stimulus Investment: \$788,799

Total Project Cost: \$836,194
