

## State Routes 16/79 Modernization

**Project Name:** State Routes 16/79 Pavement Repair and Resurfacing (PID 76384)

**Community:** Licking County

**Project Description:** This project includes the resurfacing of State Route 16 from mile marker 19.72 near the 21<sup>st</sup> Street bridge east to mile marker 23.66 near the Dayton Road Intersection. The project also includes the resurfacing of State Route 79 from the 12.30 mile marker near Moundbuilders Drive to mile marker 13.66 where SR 79 becomes State Route 16. This project will improve the ride-ability of State Route 16 and State 79 in the City of Newark.

**Estimated Start date:** September 2009

**Estimated Completion Date:** September 2010

**Stimulus Investment:** \$6,230,066

**Total Project Cost:** \$6,853,070
