

Xenia Road Bridge Replacement/Morrow County

Project Name: (7412) Xenia Road Bridge Replacement

Community : Madison County

Project Description: Xenia Road is also County Road 12 in the southern part of Madison County between the Clark County line and State Route 56 near London. This project will replace the bridge that is currently deficient.

Project Sponsor: Madison County Engineer

Community Economic Distress Factors: Madison County jobless rate is 8.8% and the yearly median income is \$44,212.

Economic Development Potential: The Madison County Engineer's Office says building a new bridge that is safer will allow the weight restriction to be lifted resulting in better flow of agricultural products from the county to other part of the region.

Multi-modal Connectivity/Innovation Factor: The project will better serve the people who live and work in Madison County especially the farmers, many of whom cannot use the current bridge because it is old, and antiquated and posts a weight restriction.

Work to Begin: 181 days or more

Estimated Completion: 2011

Stimulus Investment: \$434,700

Total Project Cost: \$434,700
