

## Cardington Traffic Signal/Morrow County

**Project Name:** Cardington Traffic Signal Replacement

**Community :** Morrow County

**Project Description:** The project will replace the traffic signal at US Route 42 and State Route 529 in Cardington in Morrow County. The traffic signal is old and outdated.

**Project Sponsor:** Morrow County Engineer

**Community Economic Distress Factors:** Morrow County jobless rate is 12.1% and the yearly median income is \$48, 842.

**Economic Development Potential:** The village of Cardington says a new traffic signal, pole and controls will allow for better flow of local traffic and business from the county to the region. This is a commercial truck route through Cardington.

**Multi-modal Connectivity/Innovation Factor:** The project will better serve the people who live and work in Morrow County especially the farmers who need a more efficient way to get their goods to market.

**Work to Begin:**

**Estimated Completion:** 2011

**Stimulus Investment:** \$85,000

**Total Project Cost:** \$123,750
