

## SR 362 Resurfacing Project Shelby and Auglaize Counties

**Project Name:** (6019) SR 362 Resurfacing Project from the Village of Ft. Loramie in Shelby County to the Village of Minster in Auglaize County through the Ft. Loramie State Park area.

**Community (County/City):** Ft. Loramie and Minster

**Project Description:** Resurface the existing roadway with asphalt concrete.

**Project Sponsor:** Ohio Department of Transportation

**Community Economic Distress Factors:** Shelby County jobless rate is 13% and Auglaize County jobless rate is 10.8%. The annual median income for Shelby County is \$31,949 and the annual median income for Auglaize County is \$31,516.

**Economic Development Potential:** This project will provide better connectivity from Dannon Yogurt Company in Minster to the larger economic markets. SR 362 is also located in a rural area where farming is a major source of income. The road improvement will improve the quality of transportation for farmers while transporting their goods to all of Ohio and beyond.

**Multi-modal Connectivity/Innovation Factor:** SR 362 is the primary route for access to Lake Loramie State Park. It carries much tourist traffic as well as connectivity to local communities.

**Work to Begin:** 31 to 90 days

**Estimated Completion:** 2 months after project commencement

**Stimulus Investment:** \$476,000

**Total Project Cost:** \$654,938
