

## County Road 2 Guardrail / Vinton County Resurfacing

**Project Name:** County Road 2 - (7312)

**Community** (County/City): Vinton County, various villages

**Project Description:** This project will focus on resurfacing over ten miles of Vinton County roads, reducing maintenance needs and providing structural strength for all local travelers.

**Project Sponsor:** Vinton County Engineer

**Community Economic Distress Factors:** 8.58% unemployment rate, \$19,720 median household income

**Economic Development Potential:** The main industries of Vinton County include lumber and construction, retail, and coal. The construction and coal industries utilize heavy load vehicles to transport their product to and from their facilities. These heavy load vehicles are strenuous on the county roads and costs thousands of dollars to repair annually. The project will focus on providing structural strength to reduce maintenance costs and repairs. As well, the retail and tourism sector will experience better growth due to the investment in roadway infrastructure.

**Multi-modal Connectivity/Innovation Factor:** N/A

**Work to Begin:** July 1, 2009

**Estimated Completion:** October 9, 2009

**Stimulus Investment:** \$426,720

**Total Project Cost:** \$447,038
