Everyone registering to complete an exam **MUST** have applied for and obtained a MyODOT username and password and must bring both with them to the test in order to login to the online testing system at the ODOT Computer Training Room. The instructions on how to obtain your MyODOT username and password are available at this link: [Click Here to Download the MyODOT Account Request Instructions \(Select Basic MYODOT\)](#)

The Ohio Department of Transportation Division of Construction Administration will provide testing in the following four subject areas on the date listed above:

- Flexible Pavements Test
- Advanced Structures Test
- Certification for Compaction Testing
- Traffic Work Zone Test

Please select the subject you wish to test on from the options in the registration form on the next screen. **Make sure to write down what test you signed up to complete as this information will not be included in your confirmation email.** Only one test may be completed per testing period. If you sign up to take more than one test per testing period, your second registration will be cancelled.

**Bring with you:**

- A government issued ID card
- A non-programmable calculator
- 2013/2016 ODOT Construction and Materials Specifications
- 2013 ODOT Construction Administration Manual of Procedures
- Bring your username and password
- Failure to have obtained your MyODOT username and password ahead of time may result in not being allow to take the exam. Please obtain your MyODOT username and password at least four days before the testing date.

A limited number of copies of the last two resources listed above will be available to borrow if necessary. ODOT Supplement Specifications and Standard Drawings will be provided, **No other document will be allowed. No calculators will be provided.**

**No cell phones, tablets or laptops will be allowed during testing.**
