

## Sod

### Qualified Product List      Specification - Requirements

ODOT Construction and Materials Specifications 660.02

### Requirements for inclusion on the Qualified Product List

#### To be included on this list submit to the Office of Materials Management the following information:

1. Certified letter stating your firm will supply sod conforming to the Dept.'s requirements listed in 660.02  
Provide recertification documentation by January 1 of each year.
2. Agree to provide the markings on sod shipped to the Department listed in 660.02

#### Acceptance by the Department

Firms will be listed on the Department's qualified product list (QPL) web page.

#### Field Documentation requirements

Products on the QPL will be accepted if they can be identified by the field as supplied by a Licenced dealer or manufacturer listed on the Department's Qualified Products List.
