

702.06 - Asphalt for Waterproofing

Qualified Product List

Specification - Requirements

ODOT Construction and Materials Specifications 702.06

Requirements for inclusion on the Qualified Product List

Submit to the Office of Materials Management the following information:

1. Manufacturer's letter certifying the Asphalt for Waterproofing supplied to the project will meet or exceed Departmental specifications and include:

- A Conform to the requirements of 702.06.
- B Provide certified test data on the Asphalt for Waterproofing showing compliance to materials requirements.
- C Typical markings on the packaging and any date markings.
- D Application instructions and temperature limitations.
- E Effective product life
- F Provide samples of Asphalt Waterproofing for testing as per 702.06.
- G Agreement to immediately notify the Department on any changes in production, materials, dimensions, before shipment.

2. Provide the Department a contact name, number, and e-mail address

3. Submit To:

Ohio Department of Transportation, 1600 West Broad St., Columbus, OH 43223
Attn: Eric Biehl

Provide reapproval documentation by January 15 of each year.

Acceptance by the Department

The Office of Materials Management will review a manufacturer's submittal for compliance with specification requirements and will evaluate any pre-qualification samples and quarterly evaluation samples.

Accepted products will be listed on the Department's qualified product list web page and will be loaded into the Department's Construction Management System for acceptance in the field through the QPL screen.

Field Documentation requirements

Products on the QPL will be accepted if they can be identified by the field to a supplier/manufacturer listed on the Department's Qualified Products List.
