

Graffiti Protection Coatings for Concrete

Qualified Product List
Supplement 1083

Specification - Requirements

Requirements for inclusion on the Qualified Product List

Submit to the Office of Materials Management the following information:

Follow the requirements of Departmental Supplement 1083

Acceptance by the Department

The Office of Materials Management will review a manufacturer's submittal for compliance with specification requirements and evaluate the product in the field.

Accepted products will be listed on the Department's Qualified Products List web page and will be loaded into the Department's Construction Management System for acceptance in the field through the QPL screen.

Field Documentation Requirements

Products on the QPL will be accepted if they can be identified by the field to a supplier/manufacturer listed on the Department's Qualified Products List.
