Revised 6/3/11 ydc

If the welders test date is more than 5 years from today's date the welder must re-test. If the "Last update" date is greater than 6 months the welder has a 6 month grace period to submit his/her employment record. If the employment record has not been submitted within a 1 year time period from their "Last update" the welder is no longer qualified and must re-test.
