

Finding an Archived USDOL Wage Determination

1. Go to the USDOL Wage Determinations website at: <http://www.wdol.gov/dba.aspx#3>

The screenshot shows the 'Wage Determinations OnLine.gov' website in a Microsoft Internet Explorer browser window. The browser title is 'Selecting DBA Wage Decisions - Microsoft Internet Explorer provided by ODOT'. The address bar shows the URL 'http://www.wdol.gov/dba.aspx#3'. The website header includes the title 'Wage Determinations OnLine.gov' and a navigation menu with 'HOME', 'FAQs', 'User Guide', and 'Help'. Below the header, there are three main sections: 'Service Contract Act', 'Davis-Bacon Act', and 'Related Information'. The 'Davis-Bacon Act' section is highlighted and contains links for 'Selecting DBA WDs...', 'Archived WDs', and 'WDs due to be revised'. A caution box states: 'CAUTION: Users should note that the only WDs applicable to a particular solicitation or contract are those that have been incorporated by the contracting officer in that contract action.' Below this, the 'Selecting DBA Wage Decisions' section offers two search methods: 'Select DBA WD by number:' with a search box and button, and 'By Selection criteria beginning with:' with dropdown menus for State (Alabama), County (All), Construction Type (All Construction Types), and WD Number (All), along with a search button and a 'Back' link. A 'Browse by state/territory' box on the right provides links for 'View the latest modifications and additions to the Davis-Bacon Database', 'View the modifications or additions to Davis-Bacon Wage Determinations due to be issued and published on WDOU.gov', and 'View Archived Wage Determinations'. The browser's taskbar at the bottom shows the Start button and several open applications, including 'Internet Explorer', 'Word', and 'Excel'.
