On Ref. No. 6 the description is for an Anchor Assembly, Type B. The plans indicate the Anchor Assembly should be a Type B-98. Since the proposal description calls for a Type B, we will bid as a Type B, unless an addendum is issued.

ANSWER:

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders.
