Prebid Questions

Project No. 040319

Sale Date - 5/19/2004

Question Submitted: 5/12/2004

Question Number: 1

Page 6/51 left hand column is the standard Indiana bat tree note stating remove trees before April 15 or after September 15. This project has a 10/31/2004 completion date with a 10/01/2004 interim date. This leaves little time to complete the project. Please advise if the Bat trees are an issue.

A work site investigation should verify that the tree will not be an issue.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
