

Ohio Department of Transportation Prebid Questions

Project No. 090248

Sale Date - 4/29/2009

Question Submitted: 4/22/2009

Question Number: 1

Reference Sheet 5 of the drawings. Under the description of ITEM SPECIAL - WORK INVOLVING PETROLEUM CONTAMINATED SOILS, ODOT requires that the excavated materials be tested and then disposed of. Who bears the cost of this work?

The Contractor is responsible for having someone that is certified in the area of PCS testing to run the tests and also to pay for any disposal.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
