Prebid Questions

Project No. 060479

Sale Date - 11/15/2006

Question Submitted: 10/31/2006

Question Number: 1

It appears that the traffic control is detouring around the wrong road. I believe SR 56 needs to be closed and a detour set up around this road.

Question Submitted: 10/31/2006

Question Number: 2

Sheet 6A shows the detail for detouring County Road 182 but does not show any detail for detouring State Route 56. According to sheet 6 S.R. 56 shall be closed at STA 247+00 and 264+00 but does not elaborate on how the Maintenance of Traffic is handled (additional signage may be required). Can you please address this issue.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
