Prebid Questions

Project No. 050560

Sale Date - 11/16/2005

Question Submitted: 11/9/2005

Question Number: 1

On page 10 on the right side of the page there is an intersection detail for part-width construction. This detail illustrates temporary pavement for the part-width construction. This detail does not specify a thickness for the temporary pavement, and there is no pay item for this work. Could you clarify the class of temporary pavement and the pay item this work should be in.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
