## Prebid Questions

Project No. 050471

Sale Date - 9/7/2005

Question Submitted: 9/6/2005

Question Number: 1

Plan Sheet 6 of 15. 9" Reinforced Concrete Pavement, APP

Can ODOT provide a typical section for this pavement. What are the lane widths? Are there concrete shoulders? BP 8.1 (Concrete shoulders) is referenced for standards drawings. What are the concrete shoulder widths? Please clarify.

**The intent is to replace the existing asphalt (including shoulders) to concrete as indicated on the plans. The scale is applicable to the drawing.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
