## Prebid Questions

Project No. 080360

Sale Date - 6/4/2008

Question Submitted: 5/30/2008

Question Number: 1

Item 690-E98100 - Would silicone be an acceptable alternate for this item? Compression seal will be very difficult to install properly on a diamond ground surface.

**No, silicone is not an acceptable alternate. Joint seals shall be installed as per plan note on sheet 4/11.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
