

Ohio Department of Transportation

Prebid Questions

Project No. 100117

Sale Date - 3/11/2010

Question Submitted: 3/2/2010

Question Number: 1

Will the days required to complete the tree and brush removal prior to May 1, 2010 be counted as Part "B" days? Will lane closures, if required to perform this work, be considered "restricted traffic" for the purposes of Part "B"? Will any restriction to traffic by utility companies count against the contractor's Part "B" days?

An addendum has been issued to remove the A + B Bidding from the contract. Two plan notes were also added regarding the time limitation and summer time limitations for the closing of the road to traffic.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
