Prebid Questions

Project No. 100286

Sale Date - 5/27/2010

Question Submitted: 5/21/2010

Question Number: 1

PN420 Surface Smoothness Requirement is specified for this project. Should this be changed to PN470 since it does not meet the following criteria for PN420. (a). The total new asphalt pavement thickness is equal to or greater than 3.00 inchesPlease advise by addendum.

See Addendum 2

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
