Prebid Questions

Project No. 091081

Sale Date - 7/29/2009

Question Submitted: 7/24/2009

Question Number: 1

This project includes pavement planing, pavement repair, and chip seal prior to resurfacing. Based on the bid date and award date, the contractors will be able to perform a limited amount of pavement work before September 1, 2009. Will ODOT waive the September 1 requirement in C&MS 422.04C to allow more work to be done in 2009?

No, the requirement of CMS 422.04c will not be waived . July 31, 2010 project completion date will allow the contractor to complete all works by that date.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
