Due to the depth of the sanitary and storm drainage work are soil borings available for this project.

There are no soil borings performed for this project.

Question Submitted: 2/18/2005

Question Number: 2

Due to the depth of the sanitary and storm drainage work are soil borings available for this project.

There were no soil borings performed for this project.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
