Prebid Questions

Project No. 050217

Sale Date - 4/6/2005

Question Submitted: 3/24/2005

Question Number: 1

Ref 57 calls for single mode fiber cable. the existing system is multimode fiber. should this be bid as multi mode?

Ref 94 - Fiber Optic Transceiver (single mode) is affected by the answer to the above question. this unit will need to be multi mode if the fiber is multi mode.

Question Submitted: 3/31/2005

Question Number: 2

The Specifications & Plan-Set for this project do not have any provisions for a Remote Monitoring Station, and or, Central Software. Is there to be Central Software provided on this project for the systems, and if so, under what pay item should that be included with?

It is the intent of this project to tie into the existing monitoring system installed with project 473 - 97.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
