Question Number: 2

It is our understanding that the signal modifications shown on sheets 41 through 46 of 53 are to be left in place at the end of the contract. should this not be correct please let us know.

The signal modifications are not to be left in place at the end of the contract. The signals, timings and pavement markings are to be returned to their original configuration upon project completion.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
