## Prebid Questions

Project No. 050366

Sale Date - 7/13/2005

Question Submitted: 7/7/2005

Question Number: 1

In reviewing addendum #3 dated 7-6-05 we have the following questions.

1.) Ref. #13 was originally 580 CY. The addendum added 1,009 CY to this reference. The total for this reference should now be 1,589 CY - Addendum #3 makes Ref. 13 1,689 CY, What should the total be.

2.) In regards to Reference #101, Partial Depth Pavement Repair, As per Plan C - 1,000 SY.

First paragraph of note states that average repair will be approximately 1 SY. Is it ODOT's intent to do 1,000 repairs? Also are these repairs 3'x 3' or 9' x 1', are they transverse or longitudinal?

Thanks

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
