Prebid Questions

Project No. 080130

Sale Date - 2/13/2008

Question Submitted: 2/8/2008

Question Number: 1

In the general notes page 6 under item 608 – Curb Ramp APP, it states that “sawcutting and walk/curb removal” is included in this item. However, on page 12 in the curb ramp sub-summary, it is assumed that the removal of walk and curb is paid under individual items 1 and 2 Walk removed and Curb Removed. Please clarify how walk and curb removals for installation of curb ramps are paid.

Walk Removed and Curb Removed items will be paid separately as per sub-summary as shown on sheet 12 of the plans.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
