Question Number: 1

There are no group replacement items for sign lamps. Are they covered under a different pay item?

1. The sign lamp replacement was performed on a previous contract. I could not find any notes that may have been left in the plan that should have been removed. Please let the district know if any of the notes in this current plan reference the this item.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
