## Prebid Questions

Project No. 050063

Sale Date - 1/26/2005

Question Submitted: 1/23/2006

Question Number: 1

The proposal for this project requires a warranty bond for painting the bridge. It was the industry's understanding that warranties for painting were to be required only on projects directly contracted by ODOT to painters, not on projects where the painting is sub-contracted. Will an addendum be issued to delete the warranty requirements?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
