Question Number: 1

Ref 6 Raised Pavement Marker as per plan appears to indicate that the marker will be supplied by the department. However it also states that Department supplied markers will be denoted by "installation only". Is the "as per plan" designation meant to indicate the department will furnish these markers?

Our old RPM note paid for the RPM's as installation only with ODOT supplying the RPM's. Our new note pays for it as RPM, As Per Plan. The contractor is correct that ODOT will still supply the RPM's and the contractor will install them.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents.
