Question Number: 2

Locatio 3, MUS -70-13.07, Drawing sheet 42, date of completion note. What is the anticipated date for the authorization to proceed?

Does the indiana bat restrictions on clearing apply to this part of the project?

The Indiana bat restrictions do not apply to Location 3, i.e., Mus-70-13.07, and there are no other restrictions known to influence the start date of this part of the project. The Contractor shall determine the start date for Location 3, and is required to give two weeks written notice to the district highway management administrator. As stated in the plan note, the Contractor shall have 30 days to complete all work on the proposed liner project.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
