

Ohio Department of Transportation Prebid Questions

Project No. 060333

Sale Date - 7/12/2006

Question Submitted: 6/7/2006

Question Number: 1

The sale date of this project is set for July 12, 2006. The completion date is 9/15/06. The contract will probably not be awarded until early August. Therefore it will only leave approximately 6 to 7 weeks to complete this project. With the size of this job and all the time restrictions, it will be almost impossible to complete the job on time. Can the completion date be moved back to 10/31/06 ?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
