

Ohio Department of Transportation Prebid Questions

Project No. 060351

Sale Date - 7/26/2006

Question Submitted: 7/24/2006

Question Number: 1

Item #1 832 Erosion Control, 1000 EA - What will this item be used for on this project?

It is standard practice to place a quantity of 1000 Each of Erosion Control in Maintenance projects. The item is to be used if the contractor disturbs areas outside the pavement. In this case, it could apply to the contractor's staging area.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
