## Prebid Questions

Project No. 060270

Sale Date - 6/7/2006

Question Submitted: 6/2/2006

Question Number: 1

Bid Item #28 is to be a solar powered school sign. Are we to figure the solar equipment based on and incandescent setup, including the "20" indication? Or, should the beacons and the "20" be LED to help keep the system as small as possible?

**The setup should be with the beacons and 20 mph using LED.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
