Project No. 040451

Sale Date - 7/28/2004

Question Submitted: 10/2/2006

Question Number: 1

The maintenance of traffic note on sheet 11 says that 32" portable concrete barrier wall will be used in phase 1A, however, sheet 14 shows a significant quantity of 32' portable wall to be used in phase 3. How will the contractor be paid for this wall?

Question Number: 2

When I ordered the plans for both of these projects, I did not receive the normal, preprinted brown envelope for mailing back to ODOT. I also did not receive the "Bid Sheet Total" form and white envelope, or the bond sheet (I have blank bond sheets from the past so this is no problem). I plan on mailing these two bids to Columbus and would like to know if I can just use a regular brown envelope, addressing it to Office of Contracts, First Floor, 1980 West Broad Street, Columbus, OH 43223. I would also mark the envelope BID ENCLOSED with the Project Number and the date and time to be opened. Please let me know if this is permissible as soon as possible. Thank you. -- Christine Baglione

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
