Prebid Questions

Project No. 050069

Sale Date - 2/2/2005

Question Submitted: 1/17/2005

Question Number: 1

A quantity of 1,836 CY of asphalt concrete surface course is stipulated in the plans, but there is no indication of where it is going to be placed. Locations #1 & #2 are not shown in sufficient detail to understand how much will be used at each area. Please provide calculations and or typical sections for these areas.

Thank you,

The locations (3 & 4) for the surface course are shown in the plans on page 9/11. The limits are detailed and the surface course remedies are minor mill and fill operations. The quantities and areas for locations 1 & 2 are also listed and illustrated. See pages 5,6 and 8.

Question Submitted: 1/20/2005

Question Number: 2

Could you please verify that the quantity of 448 asphalt concrete, 1,836 CY, is correct. The only place that it is shown on the plans is on page 9/11 and seems to be excessive.

thank you

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
