Prebid Questions

Project No. 040321

Sale Date - 5/19/2004

Question Submitted: 11/10/2004

Question Number: 1

The (2) 5-Section signal heads are to be mounted onto the existing 4-way signal mounts. Wht manufactureres mount is out there and is it a tri-stud mount or a thread type?

This information is not available. A site inspection by the bidders would provide them with adequate information on mounting hardware.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
