

Ohio Department of Transportation Prebid Questions

Project No. 090280

Sale Date - 5/13/2009

Question Submitted: 5/7/2009

Question Number: 1

Company is preparing the documents to submit a bid for Project# 090280. In the contract, it indicates that the work-type code 26 is incorrect for the project. If this is incorrect, what work type code would be required for our prequalification of this contract. Please let us know as soon as possible because the prequalification letter must be submitted immediately.

The Department respectfully declines to change the Work Type.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
