Prebid Questions

Project No. 080457

Sale Date - 7/9/2008

Question Submitted: 7/7/2008

Question Number: 1

Regarding surface preparation- this project consists largely of restriping of epoxy over existing epoxy pavement markings. On the areas of existing epoxy, will ODOT require removal of existing epoxy, or will the contractor be permitted to clean and restripe with epoxy over existing epoxy pavement markings?

The contractor must remove existing pavement markings before applying new epoxy paint, per 646.04, D of the ODOT C&MS.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
