## Prebid Questions

Project No. 100424

Sale Date - 6/24/2010

Question Submitted: 6/1/2010

Question Number: 1

I believe the quantity of transverse line is incorrect. Could you check on the number? It appears that the bust would be centered around one location on page 20 of 24 with a quantity of 10,663. From our knowledge of that location there has to be an extra digit in that number. Thanks

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
