## Prebid Questions

Project No. 090359

Sale Date - 7/29/2009

---

Question Submitted: 6/29/2009

Question Number: 1

We can not find a pay item for "Full Depth Pavement Sawing" Per item 255 for this job. Please clarify how the pavement sawing is to be handled for the Full Depth Pavement Removal and Rigid Replacement Items. Thanks.

Question Submitted: 7/8/2009

Question Number: 2

On plan sheet 12 is lane closure information. It appears that, as long as 2 lanes are maintained on MAD 70 and FRA 70, the third lane can be closed as long as necessary to accomplish the work in a maximum 9000' long work zone. Is this correct?

**The contractor is correct, it is okay to maintain two lanes at all times on MAD-70 and FRA-70.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
