Question Number: 1

The notes and quantities on sheet 16/20 indicate using surface applied Truncated Domes at 17 locations. Only problem is 10 location are totally out of ADA SPEC. I estimate approximately 160 FT of Curb Removed and 800 SF of Walk Removed. Question, Will there be a bid item for Curb Removed and additional quantities be added?

If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
