To clarify ODOT's answer to the PN 530 question. We are to use the Bidding Index (BI) that is published by Poten & Partners, Inc. on 10/28/2009 for this project. Is that correct?

The contractors are to bid according to the bid index as stated in the proposal note.

If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
