Question Submitted: 11/20/2008

Question Number: 1

The plans detail luminaires to be installed on this project. However, there is no bid item for luminaires. Likewise, there is no pay item for bracket arms. Please add these items to the proposal. Reference 60, combination strain poles, contains as per plan in the description, but no as per plan note is included for this item. Is the note intended to be the same as the APP note for the standard strain poles?

If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders.
