Project No. 050404

Sale Date - 7/13/2005

Question Submitted: 6/28/2005

Question Number: 1

Regarding Line Item 0063 what is the required component part or assembly? Whatever it is, we know only that it is for use with a Type III attenuator, and we assume that a "Type III" is a Type 3-98. Thank you for a clarification.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
