Prebid Questions

Project No. 090297

Sale Date - 6/3/2009

Question Submitted: 5/20/2009

Question Number: 1

ODOT 297(09) FRA IR 270. Page 11/35 states that the specified 615.05 designed 302 course will be a min 10 IN. instead of 7 IN. And 2. Exist. 11 IN. non-reinforced concrete pavement (will receive) approximately 6 IN. of 304 aggregate base courseReferring back to the typical pavements on page 3/35 – The 11 IN. typical section requires 17 IN.+/- of new pavement. With the min 10 IN. of 302 the resulting asphalt section will be 13" this only allows 4" 304 aggregate base course not 6" 304 aggregate base course. Please clarify in an addendum.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
